Dear Sir,

**RE: APPRECIATION**

We, the Okela Secondary School Community, wish to register our appreciation and acknowledgement of the receipt of Ksh.31,593.61 donated by the Board towards the fundraising scheduled for November, 2011.

We cannot include all that you have done to our school in an effort to improve the image and academic performance. We would only want at this point to recognize the sponsorship that you have given to our 2 leading students in National Examination thus Rodgers Oyugi of 2009 and Jescah A. Achola of 2010. May the Lord grant you strength and life so that you continue with the noble course.

Be blessed.

Yours faithfully,

**ORWA BENARD O.**
